

## Our Quality Components...

- Teachers with specialized training in early childhood education, childcare experience, and at least 30 hours of training every 2 years.
- NAEYC - approved curriculum in all programs.
- Developmentally appropriate activities that stimulate brain development.
- Inclusive programming.
- Screen and refer children for services, as needed.
- Daily communication between teachers and families and conferences twice a year.
- Scholarship available for all programs.
- And much more!

“We promise - Professional, progressive, and creative preschool and early childhood education curriculums for all age groups at an unsurpassed level of quality.”

“We value - honor, and respect our precious children. We treasure their hugs, their excitement, their creativity, their play, their individual development, and their enthusiasm.”

“We promise - To make a positive difference in each child’s life. We are aware of our importance in their day and value that responsibility.”

“We value - honor, and respect our community: the connections we make, the bonds we develop, the friendships we have, and the children we serve.”

— CCH teachers
